To,

The Secretary to the
Government of Mysore
Mining Department.

Sir,

I have the honour to state that a proposal for the formation of a road from Avenhalli to Revana Siddeswara temple in the Closepet Sub Taluk was brought under correspondence. The matter was discussed in the District Fund Board held on the 17th December, 1900, when it was resolved to make a grant of Rs 3000 from the District Funds, the Mining Department contributing a little sum. As the estimate now prepared for this work is for Rs 5821 one half of it (viz Rs 2991) will be

met out of the District Funds while the other half has to be met from the Hungry-Funds. The work in question will be of much use to the large number of denizens residing thereto. I therefore request that the sanction of Government may be accorded to pay Rs 9/8 out of the funds available at the credit of the said Cemetery (vide Rs 11:37)

2. The Financial Papers on the Subject are enclosed for reference and obliging return.

I have the honor to be,

Sir,

Your most obedient Servant
